Every Drive, A New Chapter in Happiness

Embark on a journey of joy where every mile is a moment of convenience and utility. The Every is thoughtfully crafted to be more than just a mode of transport, it's a gateway to new experiences, memories, and happiness. With every drive, you're not just moving forward, you're writing a new chapter in the story of your life.

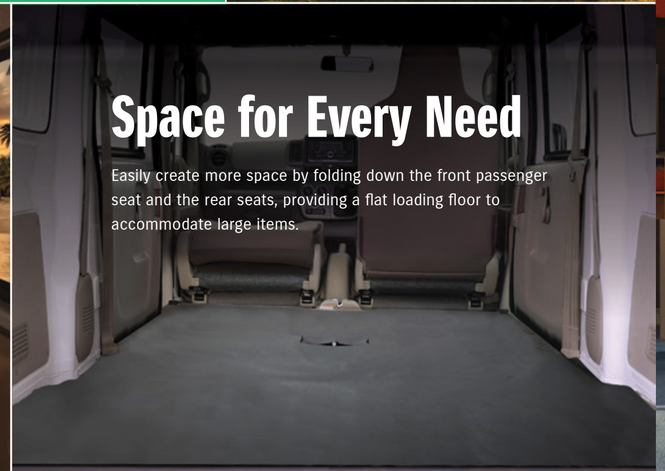

Versatility for Every Journey

Space for Every Need

Easily create more space by folding down the front passenger seat and the rear seats, providing a flat loading floor to accommodate large items.

From family outings to business deliveries, the Every is your ideal companion. Its adaptable design and spaciousness open up endless possibilities for every trip. Whether you're heading out for an adventure with the family, transporting equipment for your next big project, or pursuing your passions, the Every has the flexibility to keep up with all your needs. Perfect for entrepreneurs, outdoor enthusiasts, or small business owners, it offers comfort, space, and practicality to fuel every aspect of your journey.

With its spacious design, the Every offers ample room for large items, ensuring that both your family and business needs can be comfortably catered. The flat loading floor when the seats are folded adds even more versatility.

Every Mile, A Testament to Trust

Every journey in the Every is a testament to its reliability. Engineered to perform flawlessly, mile after mile, so no matter where life takes you, it's a vehicle that never lets you down. Whether you're navigating tight urban streets, commuting daily or embarking on a longer adventure, the Every makes it effortless.

Turning Radius

Easily navigate through tight city streets with the Every's impressive **4.1m** turning radius, designed to make urban driving and parking a breeze.

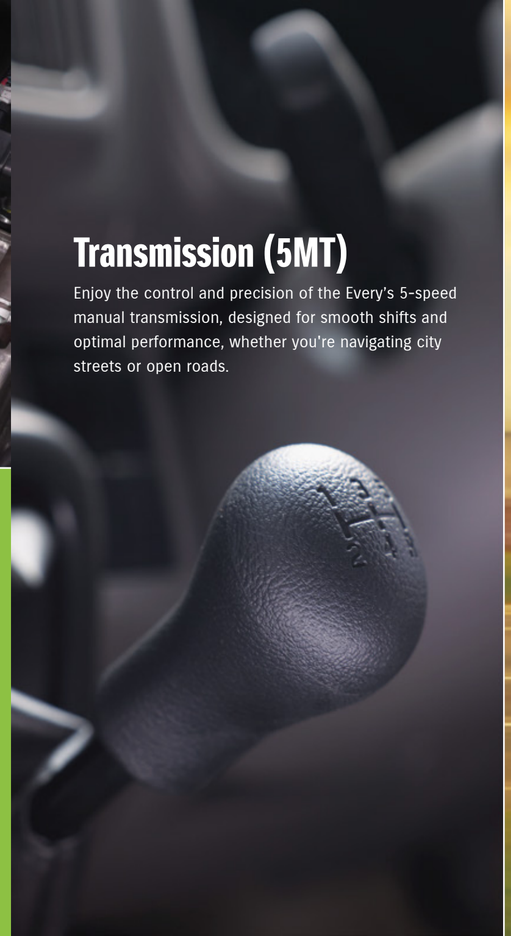

R-Series 660 CC
VVT (Variable Valve Timing) Engine

The enhanced engine performance is achieved by varying the time the engine valves stay open, which ensures better fuel consumption and minimal exhaust emissions. This allows fuel to be burned more cleanly and efficiently, contributing to both superior engine performance and a reduced environmental impact.

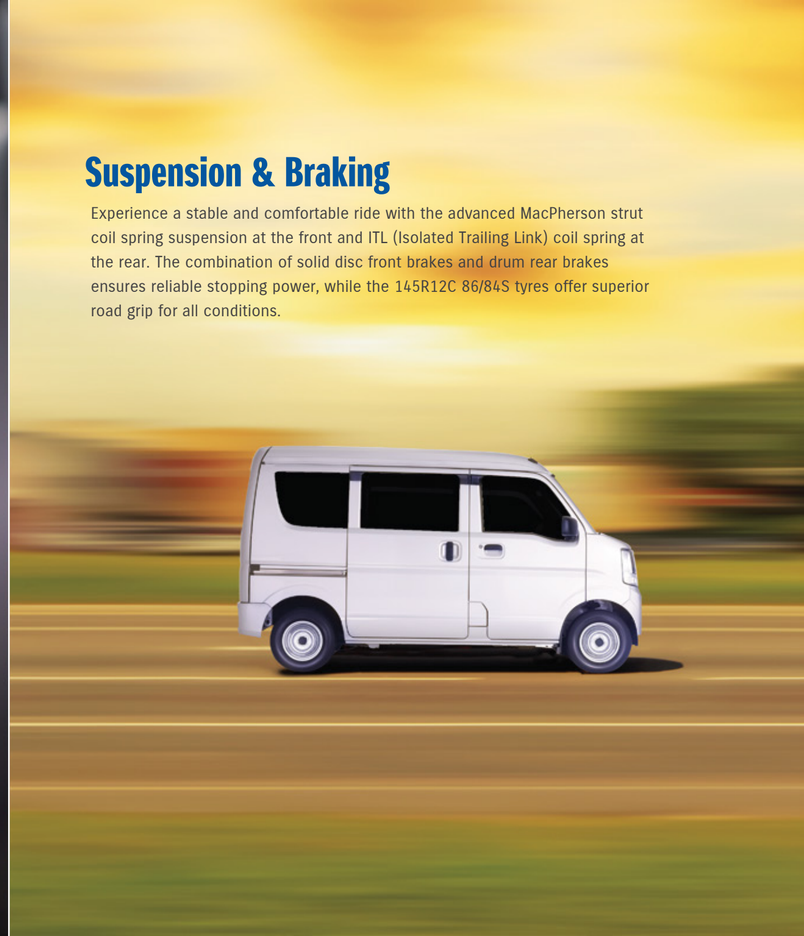

Transmission (5MT)

Enjoy the control and precision of the Every's 5-speed manual transmission, designed for smooth shifts and optimal performance, whether you're navigating city streets or open roads.

Suspension & Braking

Experience a stable and comfortable ride with the advanced MacPherson strut coil spring suspension at the front and ITL (Isolated Trailing Link) coil spring at the rear. The combination of solid disc front brakes and drum rear brakes ensures reliable stopping power, while the 145R12C 86/84S tyres offer superior road grip for all conditions.

Every Journey, A Promise of Protection

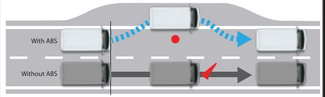

Safety isn't just a feature, it's a promise. A promise that every journey, no matter how short or long, is protected by safety features. Because the well-being of you and your loved ones is our utmost priority.
